

Junior Consultant

Financial Access Consulting Services (FACS) is looking for a Junior Consultant, to be based in Nairobi, Kenya.

About the company

FACS is an international financial advisory and fintech services company. We design and deliver solutions to accelerate financial inclusion at scale in rural markets in Africa and Southeast Asia. We use our data-driven analytics, agrisector knowledge and operational banking experience to develop less risky, scalable and sustainable farmer financing models and customized investment opportunities for banks, microfinance institutions and (impact) investors, at lower cost.

FACS is part of the Financial Access group, the ex-ING Bank emerging markets financial sector advisory business taken private by management. FACS operates from its Head Office in Amsterdam and has operations in East Africa (Kenya), West Africa (Ghana) and Indonesia. Combined with its ING track record, FACS has successfully completed more than 300 assignments in 45 countries since 1991.

In 2019 FACS has developed LendXS (www.lendxs.com), a fintech platform for financial institutions enabling them to lend to smallholder farmers at lower cost and reduced risk through the use of digital data collection and the deployment of credit workflow management and credit scoring tools.

Job description

To support our financial consulting work, FACS is looking for a full-time Junior Consultant with a strong financial background who can support both our advisory business.

- Assist in the proposal writing process, project implementation support and stakeholder management activities.
- Conduct project research, value chain analyses and design financial structures and financial inclusion solutions for clients.
- Join industry events, webinars and develop a relevant business contact network for FACS in Africa

Qualifications and experience

- Bachelor's Degree in Economics, Finance or any other related field
- 2-3 years of work experience in international business, banking, financial consulting, investment or financial analysis
- Work experience in Africa and experience with project and stakeholder management

- Experience with agrifinance and fintech strongly preferred
- Strong analytical skills
- Teamplayer with excellent interpersonal skills
- Fluency in English
- Flexible, energetic, hands-on and self-motivated
- Willingness to travel
- Sound academic writing experience preferred

The offer

- Market-based compensation
- Stimulating, dynamic and international work environment
- Opportunities for international career advancement
